

WILLIE KIDD

1207 Klockner Rd Apt 51 · (609) 880-5766
williekiddjr@gmail.com (Personal Email)

I am an ambitious worker that wants to make a difference today by bringing my own knowledge and skills to the Computer Science field. I'd like to pursue my career to become a Software Engineer.

EXPERIENCE

SUMMERS OF 2020, 2021, 2022

ASSEMBLY OPERATOR, TRANE TECHNOLOGIES

My day-to-day responsibilities included being trained in operating at many different stations of the assembly line. I also assisted with training new hires on how to safely operate and handle the machinery and parts.

EDUCATION

JUNE 2019

HIGH SCHOOL DIPLOMA, HAMILTON HIGH SCHOOL WEST

Enrolled in a Dual Enrollment program during Senior year for Video Game design/development.

DECEMBER 2023

BACHELOR'S (C.S. INFO SYS), KEAN UNIVERSITY

Treasurer of the Kean Esports Club

Attended a variety of Computer Science courses to help broaden my knowledge of various coding languages.

SKILLS

- Experience with HTML/CSS
- Experience with coordinating project teams
- Experience with MySQL
- Experience with PHP

ACTIVITIES

In my years of college, I participated in several in-class projects that required teamwork and coordinating inside and outside of the classroom. I was a great contributor to those projects and know how it is to work as a team.
